

Case Study | Retail

Customer:
FASHION RETAILER

Industry:
Retail

Size:
35+ Retail Stores, 110
Employees

Country:
UAE

Products and services:
Microsoft Dynamics 365
Finance & Operations
Retail

Situation

Founded in 1999, the Company represents some of the world's finest clothing, apparel and personal care. Today, the company enjoys a market presence in the UAE and Qatar, with a vision to mark a footprint across the GCC.

Solution

The Company adopted Microsoft Dynamics 365 F&O & Retail for multiple legal entities - The Face Shop, Spring Field etc. They were able to automate key business processes such as Finance, HR, Procurement, Payroll, Marketing, Inventory Management.

Impact

Improved productivity and reduced cost

With Dynamics 365 for Finance and Operations serving as the backbone of its business, warehouse and distribution center, staff were able to post transactions from operational system in real time and able to handle bulk data better.
